career tracks under the Up-and-Stay initiative. Apart from continuation
selection boards specified in reference (a), two additional continuation
selection boards will convene on 16 September 2019, or as soon as practicable

thereafter. One board will consider captains (CAPT) in the engineering duty officer and unrestricted line (URL) officer competitive categories who have a specific designation as acquisition corps (AC) members. The other board will consider foreign area officer captains who are currently serving, or have completed a tour, as defense attach (DATT) or naval attach (NATT) and URL CAPTs who are selected for are currently serving, or who have completed, a tour as a DATT or NATT.

8. Correspondence addressed to the promotion selection board will not be forwarded to a subsequent continuation selection board for consideration. Officers must communicate with each board separately.

9. Only eligible officers may communicate with a continuation selection board via the letter to the board (LTB) process. NAVADMIN 220/19 announced the introduction of a new application known as Electronic Submission of Selection Board Documents (ESSBD), accessible through MyNavy Portal. ESSBD improves the speed, transparency and confidence of receipt over current LTB submission methods, such as hard copy and e-mail submitted letters and related attachments.

a. Beginning 1 January 2020, ESSBD will be available for all promotion, advancement and selection boards.

b. ESSBD provides board candidates with the capability to electronically submit LTBs in a standard, consistent format, with or without attachments and will allow the candidate to see (for content and clarity) exactly what will be delivered and presented to the board.

c. To utilize ESSBD, candidates must access document services through MyNavy Portal at <https://www.mnp.navy.mil/group/my-record>. On-screen instructions will direct the submitter thereafter.

d. Submission and subsequent receipt acknowledgement for LTBs submitted via ESSBD or other means does not constitute confirmation of eligibility for the boards to which LTBs are submitted. If required, a full visual user guide is available through MyNavy Portal at <https://www.mnp.navy.mil/group/advancement-and-promotion>.

e. LTBs submitted to statutory officer continuation selection boards must be received by Navy Personnel Command (NAVPERSCOM) no later than 2359 (central time) 10 days prior to the convening date of the respective board. Submitters are cautioned to not wait until the deadline date to submit LTBs via ESSBD or other available avenues.

f. If sending a board package from a non-NMCI network (bumed.mil, eu.navy.mil, etc.), please review procedures listed in NAVADMIN 220/19.

g. The written communication may call attention to the board, any matter concerning the record of the officer that the officer considers important. Written communication may include, as enclosures, correspondence from any individual concerning the eligible officer. Correspondence not originated by the eligible officer, including endorsement to the letter of the eligible officer and letters written on behalf of that officer, must contain a written acknowledgement by the eligible officer that he or she desires such correspondence be presented to the board.

Correspondence without such an acknowledgement is considered third party correspondence and will be returned without being presented to the board. Classified correspondence will not be accepted.

10. Questions regarding LTB submission should be directed to MyNavy Career Center by calling 1 (833) 330-MNCC (1 (833) 330-6622/DSN 882).

11. Questions regarding continuation should be directed to NAVPERSCOM PERS-

NAVADMIN_287-19

801 at (901) 874-4533/DSN 882. Additional information is also available via MyNavy Portal at <https://www.mnp.navy.mil/group/advancement-and-promotion/p-officer-promotion-resources-and-links>, then click on the Websites side (vice Systems side) of the blue header. Once on the Websites side, you will see the NPC Promotion Boards link. Click on the NPC Promotion Boards link, then click on the Officer Continuation/SERB link on the left hand side.
